25X1 16. [ ] (DFM) Delivered to the Senate Armed Services Committee office for Clark McFadden, General Counsel, a synopsis of the recent paper we prepared for him on current legislation affecting the Agency.

25X1 17. [ ] (DFM) Delivered to Scott Sklar in the office of Senator Jacob K. Javits (D., N. Y.) material on CIA employment which was requested by Lafayette High School in Brooklyn. I also gave Sklar a copy of the letter from Mr. Thuermer to Ms. Cheri Fein regarding the CIA Library's order for A Directory of American Poets. Ms. Fein had written the Senator questioning the appropriateness of the order.

25X1 18. [ ] (WPY) Delivered for Jim Davidson, on the staff of Senator Edmund S. Muskie (D., Me.), a suggested reply for a constituent.

25X1 19. [ ] (DFM) Received a call from Mark Kliman in the office of Representative Les Aspin (D., Wisc.). Kliman wanted to check on the status of his earlier request for information on the methodologies used to compute comparative Soviet-American defense spending, and to also request that we check out wide discrepancies in published statements by CIA and Defense Department representatives on the percent of Soviet GNP which goes to defense. I told him I thought we could have information on both inquiries by the first of the week. [ ] (OCI), has been 25X1 advised.

25X1 20. [ ] (LLM) In the absence of the Congressman, who is back in the district in Arizona, requested the office of Representative Sam Steiger (R., Ariz.) to pass the word on to him that we had followed up on the request he made to us on Wednesday, 5 March.

25X1 21. [ ] (LLM) Col. Lowenstein, DOD, called in connection with the question resulting from a hearing before Senator Hubert H. Humphrey's (D., Minn.) Subcommittee on aid to Cambodia which involved CIA in support of [ ] The LDX'd question has been 25X1 sent to Ted Shackley, C/EA, for recommended response.

25X1 22. [ ] (RJK) Spoke with Mike Van Dusen and Louise O'Brien, House Foreign Affairs Committee staff, during the course of the day to coordinate the necessary security arrangements for the Director's appearance before the Subcommittee on Investigations on Monday, 10 March.

25X1 9. [ ] GLC) Talked to Jim Kronfeld, House Government Operations Committee staff, concerning Representative Andrew Maguire's (D., N.J.) question to the Director at yesterday's hearing as to whether or not we had a file on him. Kronfeld said Representative Maguire is a very reasonable person, he is new and he is trying to find out the proper way of doing things. He said he didn't feel we would have any trouble with him.

25X1 10. [ ] GLC) Called Representative Andrew Maguire (D., N.J.) and told him we wanted to be in touch with him as soon as we could on his question to the Director yesterday as to whether or not we had a file on him. I told him we did not have a file, but we did have a document in which his name appears. (See Memorandum for the Record.)

25X1 11. [ ] GLC) Jack Maury, DOD, called and said he has received a call from Representative Dan Daniel (D., Va.). He said the Representative asked if CIA had a file on him, adding that he certainly hoped we did. Daniel said he went to Moscow in 1959 and in 1972 went to Paris where he had a meeting with the Viet Cong. If we have a file on him he would like to advertise it, that he felt we were correct in having files on this sort of thing. He said if we had one on Representative Bella Abzug (D., N.Y.), he wanted one too. He seriously said he would do anything he can to help us in this situation and we are to be in touch with him.

25X1 12. [ ] GLC) Marty Winkler, in the office of Representative Robert Lagomarsino (R., Calif.) called and wanted the telephone number for James Angleton. After discussing this with Angleton, Winkler was called back and given Angleton's office and home telephone numbers.

25X1 13. [ ] GLC) Called Senator Dewey Bartlett (R., Okla.) to get his views on some things which occurred during his recent trip to Vietnam. (See Memorandum for the Record.)

25X1 14. [ ] -KKH) Received a call from Representative Jim Lloyd (D., Calif.), who requested that I pass the name of an employment possibility to our Personnel people. The name was [ ] and he is interested in flying for us. Representative Lloyd did not wish to be kept informed on the case. I call [ ] OP, who told me we do not hire pilots. 25X1 25X1

25X1 4. [ ] LLM) Saw Pat Holt, Chief of Staff, Senate Foreign Relations Committee, concerning the request from the Committee pending with the Department of State on a break out by agency of Federal employees overseas. Holt saw no reason why this matter could not be handled as it had been last year (State would not break out Agency figures but we would provide Holt, for Chairman John Sparkman (D., Ala.) only a sealed envelope containing Agency figures). Holt then called John Ritch, of the Committee staff, who apparently backed off of this requirement (or it could be a communication problem within State) and apparently Ritch indicated to Holt that the prime interest was to improve State's personnel presentation in connection with State's upcoming authorization bill. [ ] C/CCS, has been informed and will draw the necessary numbers up for us so that we can effect delivery of the sealed envelope to Holt upon call.

25X1 5. [ ] LLM) [ ] NIO/SEA, indicated that 25X1 Alex Schnee, Department of State, was on the hook with Norvill Jones, Professional Staff Member, Senate Foreign Relations Committee, to provide the unclassified study on North Vietnamese aid tomorrow. In view of the fact that we do not have clearances on these reports yet, I suggested to [ ] that we not do anything directly with Jones -- that we will hear from him soon enough if he wants to contact us.

25X1 6. [ ] LLM) Bill Miles, in the office of Representative Bill Alexander (D., Ark.), called to express the Representative's interest in a briefing on Panama as a result of his assignment to the Subcommittee on Transportation, House Appropriations Committee. Apparently Mr. Alexander has made a recent trip to Panama and has a number of questions which Miles would like to provide us in advance. The briefing has been tentatively scheduled for 10:00, Friday, 7 March, at Headquarters. I suggested that Mr. Alexander might want to visit for breakfast and Miles reacted positively to this possibility.

25X1 7. [ ] LLM) Jack Maury, DOD, called and we discussed recent newspaper allegations which Secretary Schlesinger was also concerned about.
